PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ACTION

REGION 9 (FLORIDA) PUBLIC SAFETY REGIONAL PLANNING COMMITTEES TO HOLD 700 MHz PUBLIC SAFETY REGIONAL PLANNING AND 800 MHz NPSPAC PUBLIC SAFETY REGIONAL PLANNING COMMITTEE MEETINGS

Gen. Docket No. 90-119

The Region 9 (Florida) Public Safety Regional Planning Committees will hold two meetings on Monday, May 21, 2007. Beginning at 9:00 a.m., the 800 MHz NPSPAC Public Safety Regional Planning Committee will convene at the Doral Resort and Spa, 4400 NW 87th Avenue, Doral, Florida. Beginning at 1:30 p.m., the 700 MHz Public Safety Regional Planning Committee will convene at the same location. Agendas for both meetings will be available on the meeting date.

Both Region 9 Public Safety Regional Planning Committee meetings are open to the public. All eligible public safety providers whose sole or principal purpose is to protect the safety of life, health, or property in Region 9 may utilize these frequencies. It is essential that public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's rules, be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 9 should plan to attend. For further

information, please contact:

Ray Carlson, Chairman
Region 9 700 MHz and 800 MHz Public Safety Regional Planning Committees
